COVID- 19 Vaccination Appointments March 4th and March 6th Clinics at SW Washington Fairgrounds Full

Chehalis, WA – Due to high demand and limited available vaccine supply, all appointments for first dose COVID-19 vaccinations at the SW Washington Fairgrounds this week have been filled. Over 20,000 Lewis County residents or 25% of the total population of Lewis County are now eligible for a COVID-19 vaccine.

We understand that the process of registering for a vaccine appointment can be frustrating and confusing and are doing our best to make improvements on our end. Thank you for your patience.

More vaccination opportunities will be announced soon as more doses arrive.
